

EBis: Pricing Information

For all pricing information and orders, please call **DatcoMedia** at (775) 787-9446.

EBis 3.1 Standard Edition (Single Location, Small Shop)

EBis 3.1 with user license

Each additional license is extra. 2-4 users is the recommended maximum for this version.

EBis 3.1 Pro Edition (Single Location, Medium to Large Shop)

EBis 3.1 Pro with a 5 user pack

Includes 5 EBis user licenses. (Each additional license is extra plus SQL Server licensing costs)

Requires SQL Server 2005 Workgroup, Standard, or Enterprise with proper licenses (sold separately). Includes Scheduler.

EBis 3.1 Pro X Edition (Multiple Locations, Single Billing Site)

EBis 3.1 Pro X with a 5 user pack

Site Location license (each location)

Includes 5 EBis user licenses. (Each additional license is extra plus SQL Server licensing costs)

Requires SQL Server 2005 Workgroup, Standard, or Enterprise with proper licenses (sold separately). Includes Scheduler.

EBis 3.1 Pro XL Unlimited Edition (Multiple Locations, Multiple Billing Sites)

EBis 3.1 Pro XL Unlimited

Site Location license (each location)

User licenses are purchased separately.

Requires SQL Server 2005 Workgroup, Standard, or Enterprise with proper licenses (sold separately). Includes Scheduler.

Additional Options

EBis Over the Counter Sales Add-On

Used to sell parts over the counter, create invoices, and track billing.

EBis Scheduler

Schedule meetings, aircraft maintenance, vacations using a monthly, weekly, and daily calendar.

Repair Orders

Create and manage component level repair orders.

Time Clock

Electronic Time Clock module integrated with EBis technician information.

EBis to Microsoft Office Accounting 2007

Sends accounting information from EBis to Microsoft Office Accounting automatically.

Second Company Name

This is for companies that have two company names. Extensive proof is required.

Integration with Microsoft Great Plains accounting software

Links EBis and Microsoft Great Plains together in a seamless solution for the shop and accounting.

Importing Your Old Database

Import your exported data such as parts inventory, customer records, and vendors into EBis.

Call for pricing on any additional options.

Minimum System Requirements:

Operating System: Windows 2000, XP Pro, or Vista (Windows XP Pro **strongly** recommended); Internet Explorer 6 or higher; Microsoft .NET Frameworks 1.1 & 2.0 Installed. Windows 2000 Server or 2003 Server recommended for server computer.

Processor: Pentium IV 2.0GHz or higher. Dual-core processors are recommended for the server computer.

Ram: 256 MG of Ram (512 MG recommended). 1GB+ for the server.

Hard Disk Space: At least 100 MG on client, 500 MG or higher on server.

Video Card: 800x600, 16-bit color minimum (1024x768 or higher, 24-bit **strongly** recommended)

Multi-User: 100 Base-T wired/wireless network; Properly configured Windows network with all computers accessible in "My Network Places"

Recommended Additional Requirements for EBis Pro X & EBis Pro XL:

Fast download **and** upload rate to and from the server from all locations.

Using a terminal services program such as Citrix (www.citrix.com) or Microsoft Terminal Services is **strongly** recommended. This allows your data to be accessed at the fastest possible speeds and maintain the EBis software for all locations with ease.
